() Numbers in parentheses indicate corresponding AHA Nationals qualifying classes.

***Western Dressage Suitability** is a rail class where horses will be judged at the same time. Horses to be shown at a walk, jog and lope both ways of the ring. To be judged on the horse's potential to become a Western Dressage mount. Horses are placed and no actual scores are awarded.

****Western Dressage Equitation** is a rail class where riders will be judged at the same time. Horses will perform the walk, jog, and lope both ways of the ring. The rider's position, seat and specifically the correct use and effect of the aids required by the Basic and Level 1 Dressage tests are to be judged. The movements shall be performed by the exhibitors simultaneously. Only the rider is judged; however, lameness of horses will be penalized.

^New To Western Dressage: this is a class for riders that are currently in the first year of showing Western Dressage. The horse can have previous dressage experience.

*****The Pairs Class** is open to either horses/riders in English or Western tack. It is a rail class—judged both directions of the ring at the walk, jog/trot, and lope/canter—and the pair will travel together. Judged on gaits, suitability for discipline, and how the horses travel (“work”) together. Pairs are encouraged to dress in similar attire to enhance the pair!

******The Family Class** is for two or more people from the same family (i.e., husband, wife, children, mom, dad, brother, sister, aunt, uncle). English or Western tack may be used. It is a walk-trot/jog rail class. Judged on gaits, suitability for discipline, and how the horses travel (“work”) together. (Note: Having a family argument during the class does not indicate working together!). Families are encouraged to dress in similar attire!

Long pants and boots with heels are required for all classes; approved helmets are strongly encouraged. **For any class with jumps (i.e., Prix Caprilli), an approved helmet is required.**

Dressage Trail: patterns will be available online and in the show office. It is a class that encompasses both dressage and trail elements. English or Western tack is acceptable. For further directives, please see below for class specifications.

Dressage In-Hand Trail: patterns will be available online and in the show office. English, Western, or Running attire permitted for handler. Warning: If you wear cycling shorts, you might get whistled at.

For Freestyles: Music must be supplied by the rider. Rides must be under 5 minutes in length. Winner will be determined by the audience's applause-o-meter.

Fun Costume Class: ALL entry fees from this class will go to the CAHC Youth Judging Team! Anything goes, so be creative!

TBA: "To Be Announced." If there's a class/level/division that you want to ride in that you don't see listed, pay us an extra \$10, and we will add it for you!

Fun classes: are for having **FUN!!** You do have to supply your own dollar bill for the Ride-a-Buck class, unless you can steal one from another exhibitor. Show management is not responsible for lost or stolen dollars.

Dressage Trail Rules and Regulations:

Objective: To complete the test and all obstacles and tasks. Or if you don't successfully do all that, at least be entertaining to the spectators.

Rider's Attire: Riding boots, some sort of pants, a nice shirt would be appropriate, a hard hat if you are in dressage attire/your horse is in dressage tack. If you want to wear your reindeer antlers, more power to you.

Tack: Anything appropriate for a dressage horse doing a trail class. You may also show in Western Tack (and show with two hands on the reins).

Boots/Bandages: Okay as long as you don't offend the judge's dressage sensibilities.

Whips: Allowed if you can hold a whip and both reins in one hand while holding an egg (or other object) in the other. Length: Not too long and not too short. It needs to be just right.

Gloves: Optional, but the show takes no responsibility for blisters or broken nails. Don't come crying to us, though we might give you a Band-Aid if you just whimper quietly.

Braids: Braid your horse or not, we don't care. Braid your own hair or not, we don't care. Let your wild side show through and wear purple bows... we don't care.

Estimated Time: 5 minutes... it might be more, it might be less. Just don't take all day. You will get three attempts at each obstacle before you are asked to move on (you will not be eliminated; you will just get a low score for that part of the test).

Callers: Really? You can't remember this simple of a test? Fine. You can have a caller. Stop crying.
